

Thanksgiving

Thanksgiving is an American tradition and holiday that takes place in November. We celebrate Thanksgiving to celebrate when the pilgrims settled in the new world and then made peace with the Indians. They celebrated their peace and ate a meal. This was the first Thanksgiving. My family has the tradition of making turkey, stuffing, and many other foods. On Thanksgiving we give thanks for all we have.

Then we sit down to a meal and eat and eat and eat. My mom cooks from 7:00 am- 3:00 pm on Thanksgiving. Some people go to restaurants and some don't. In New York City, there is something called the Macy's Thanksgiving Day Parade. This parade marches through a part of the city and many people have the tradition of going and watching it. Almost all Americans celebrate Thanksgiving.
