

# Rain forest

Lets go and explore the Rain Forest with all the beautiful creatures that live in it.

**DON'T FORGET  
YOUR UMBRELLA.**

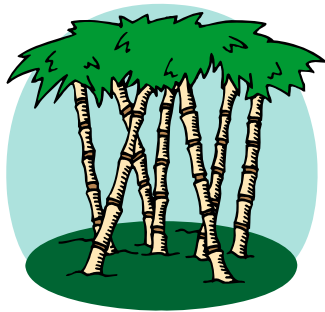

Come in.....

WHAT LIVES IN IT?

THERE ARE HUNDREDS  
OF ANIMALS THAT  
LIVE IN THE RAIN  
FOREST.

AND TREES THAT  
TOUCH  
THE SKY.

# What are orchids roots?

Rain Forest orchids have inside out roots unlike most roots that live under ground.

# Bats?

Bats are amazing.  
They are mammals like  
you but they can fly.
