### The Benefits of a Laptop

#### Every pupil benefits

Laptops have made my life much more easier, and made my marks go up because of the standard is so high, all my school projects have been a lot easier to do and a lot quicker and looks more professional from all the software the laptop has.

Figure 1: Laptop

2) In every classroom we have now got at least 10 laptops for the students to use, and all of them has got a wireless connection making lessons much more factual and a lot more interesting. Now with a smart board connecting to the laptop every student is able to see the board and even pupils with glasses are able to see easier as the writing is a lot readable and clearer.

3) Every child needs an opportunity, to do well at school and the laptop system is the perfect opportunity

- ❖ Laptops are light and wireless
- ❖ Easy to learn and fun to do projects with.
- ❖ 1/2 the pupils have already got their own laptops.
- ❖ Get yours now phone 032-5498785
- ❖ For more information about the laptops and Seaforth College go to [www.seaforthcollege.org.za/](http://www.seaforthcollege.org.za/)

#### Leadership

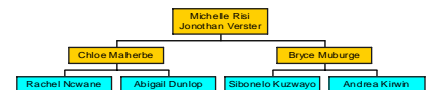

- People who are leaders must be able to
  - Lead people in the right direction
  - Be caring
  - Able to take responsibility
    - For example: for their mistakes

Leadership structure is unique. Every term new leaders are elected. Gives every child an opportunity. Other leaders guide others on the right path. Teaches them different techniques. Different Committees
