We've created the perfect laptop which will give learners and educators the boost to excellence.

HIV/AIDS

Our school has decided to assist in the fight against HIV/AIDS by asking the students to bring clothes on spring day. All our clothes will be donated to a local orphanage, which specializes in assisting those who have been left alone due to HIV/AIDS.

We ask that your children bring:

- Shirts
- Pants
- Dresses
- Socks
- Pyjamas

Spring, a time to rejoice. (1)

We also intend to have a special line-up for the day, which all parents are invited to. It will go as follows:

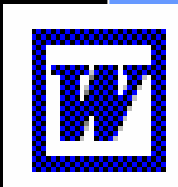

1. **Spring day assembly**
Mr. Watson and the Matric students will hold this. A guest speaker will also attend.
2. **Washing line**
Our annual washing line where the students get to hang up all their clothes along line, which are assembled around the school.
3. **Spring day service**
Hosted by Mrs. Taylor, and ex-teacher, it promises to be a service appropriate for all ages, which will teach us the importance of giving.
4. **Junior Choir**
The junior primary has prepared a special 20 minute choir show in which they will entertain us with delightful songs to put that 'spring' in our step.

We ask that you bring loads of clothes. (2)

date: 1 September 2008
