

Different uses of software in the school environment

Seaforth College

Laptops are great for school

From the IT Room to the Field

Seaforth College Has Laptops

We are glad to have new laptops in the classrooms. This will make learning easier and fun. There will be laptops used in every classroom for all of the various subjects.

Reasons why laptops were introduced:

Figure 1: old Calculator

- ★ Make learning fun
- ★ Easy to use
- ★ Improves typing skills
- ★ More information is available at www.google.co.za

What it is school like without laptops:

- 1) Learning was not so fun
- 2) Writing would hurt after a while
- 3) Notes would weigh your bag down
- 4) Could not use subscript example H₂O
- 5) Had to use calculators like figure 1

Microsoft Word

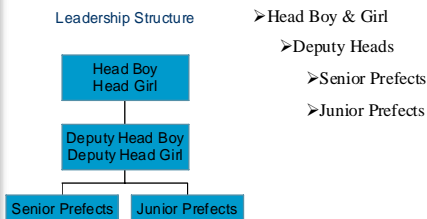

Come to Seaforth College where you can get a head start with laptop and we can all be happy like figure 2

Figure 2: award for getting laptops in a school

Leadership Structure

Microsoft PowerPoint

Facilities

	IT Room	CAT Room	Tuck shop
Pre-Primary	Yes	No	Yes
Primary	Yes	No	Yes
High School	Yes	Yes	Yes

With a laptop you can do this and more

Test Results

Subject	Test 1			Test 2			Test 3			Grand Total	Total Marks Achieved
	Mark	Total	%	Mark	Total	%	Mark	Total	%		
English	23	30	=B5/C5	25	35	=E5/F5	20	40	=H5/I5	=SUM(C5,F5,I5)	=SUM(H5,E5,B5)
Maths	28	30	=B6/C6	26	40	=E6/F6	30	45	=H6/I6	=SUM(C6,F6,I6)	=SUM(H6,E6,B6)

Microsoft Excel

Percentage of total marks achieved to grand total

Legend: ■ Grand Total ■ Total Marks Achieved

Need help?	Tests done
=IF(L5<70,"Yes","No")	=COUNT(K5,E5,H5)
=IF(L6<70,"Yes","No")	=COUNT(K6,E6,H6)
