SUBJECT CHOICES

At Seaforth College we offer a variety of subject choices. Note that these choices can only be made after passing grade 9.

Seaforth College is known for their great outcome at the end of the year when it comes to the final marks. The last Matrics all passed with great smiles heading for their new future. All students at Seaforth College have that chance.

Figure 1: Seaforth Slogan

Many of the subject choices do not change, as many parents know some of the subjects are compulsory.

THESE INCLUDE:

1. Maths	2. English
3. Afirkaans	4. LO

Subject choices include:

- CAT
- Biology
- Science
- Business studies
- Drama
- Geography

Please note: A submitted form must be handed before the following years begins.

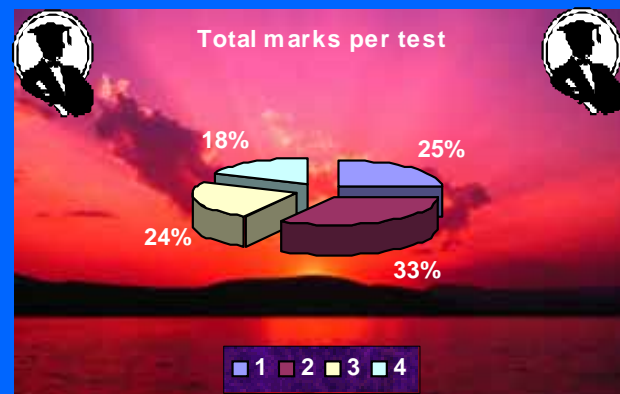

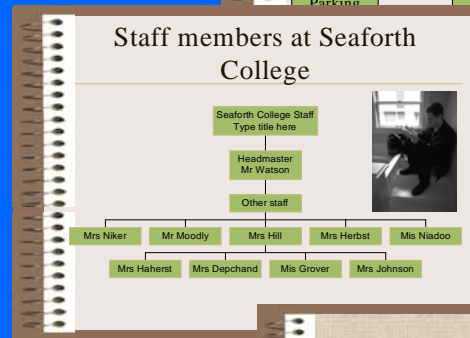

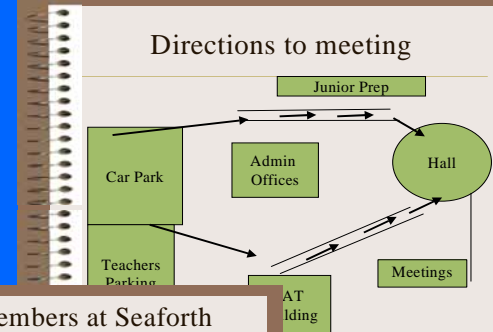

The form must be in before:

1. The following year if student is passed to
2. If there is a new pupil then the form can time
