New Laptops

Seaforth College is introducing new laptops for all the pupils. This exciting introduction will take the school to new heights and the pupils will love it. This will make things easier for both learner and staff.

This will have a number of benefits here is the list below :

- These Laptops come at an affordable price
- Learners will be able to complete projects during School
- Everything will be neat
- Pupils will have access to the Internet
- Pupils can email assignments
- This will make marking easier for teachers

Figure 1: Board of Governors discussing the new introduction

Things you may want to know.

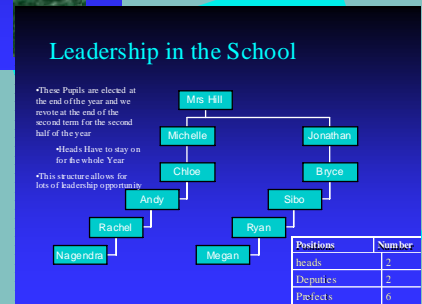

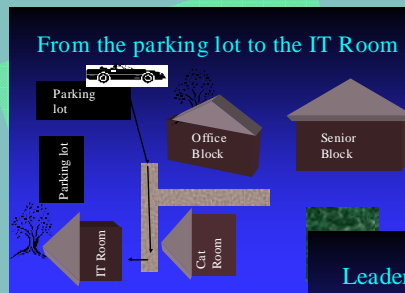

- Parents are welcome to query any problems they might have with the new project
 - See Staff or book appointment with Mr. Watson

Figure 2: New laptops

- You will have to firstly place in an order for your Laptop and then they will be delivered to the school and issued to the pupils

We will ensure safekeeping of these laptops on the School premises and we will be organizing a new security system but the school is not liable for any damages or losses

You can visit these sites to look at the laptops
